

Equisect™ Fly Repellent is formulated using pyrethrum and a blend of botanicals and essential oils – citronella, corn mint, thyme and clove stem.

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON HORSES AND PONIES**

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. After applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

Equisect™ Fly Repellent is a water-based product that is non-irritating, so it is gentle to your horse's skin and coat.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Not for use in outdoor residential misting systems. Do not apply this product in a way that will contact children, either directly or through drift. Except when applying directly to horses, ponies, dogs and cats, do not apply this product in a way that will contact adults or pets, either directly or through drift.

DO NOT USE ON HORSES INTENDED FOR SLAUGHTER

HORSES AND PONIES: To repel and kill Horn Flies, Stable Flies, House Flies, Horse Flies, Deer Flies, Mosquitoes and Gnats, apply Equisect™ Fly Repellent as directed below.

As a Spray: Remove excess dirt and dust. Apply a light spray mist sufficient to wet the surface of the hair while brushing lightly against the lay of the hair. Avoid spraying in eyes and mucous membranes. Apply with a sponge or soft cloth to these areas.

As a Wipe-On: Thoroughly brush horse to remove dirt and dust. Extremely dirty horses should be shampooed, rinsed and allowed to dry before applying. Use a sponge or clean soft cloth.

Apply Equisect™ Fly Repellent to point before run off over areas to be protected. Pay special attention to legs, belly, shoulders, neck and facial areas. Avoid eyes and mucous membranes.

Repeat treatment daily or at intervals necessary to give continued protection.
