farnamhorse.com

For use in horses only.

Recommended to support removal of sand and dirt from the ventral colon.

Directions for Use:

- For average size (1,000 lb.) adult horse – give one scoop (5 oz.) to 1.5 scoops of **SandClear™** Natural Psyllium Crumbles daily for one full week (7 days) out of every month. Give less to ponies, yearlings and foals; more to larger horses and draft breeds. Provide plenty of fresh water to horse when using this product.

Warnings:

For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
