Show Ring Shine For All Classes of Horses

Laser Sheen® Skin & Coat helps promote a radiant coat & healthy skin from the inside out. Scientifically formulated by our PhD nutritionists to ensure your horse receives the many health supporting benefits that properly balanced amino acids, omega 3's & 6's, minerals, vitamins & antioxidants can provide.

Proper digestion of nutrients is essential for your horse to benefit from any supplement. As a result, Laser Sheen® Skin & Coat contains a probiotic and is formulated in a specially designed extruded nugget which supports proper digestion of nutrients.

Laser Sheen® Skin & Coat Supplement offers a combination of essential nutrients to provide a show-stopping shine that will capture the attention of any audience. It is carefully formulated with a proprietary blend of extruded soybean meal, ground flax seed, stabilized rice bran, and high quality amino acids. The palatable nuggets also contain ceramides to help retain moisture for a velvety soft coat as well as help support skin hydration.

The **FARNAM FRESH KEEPER BUCKET** with convenient, cost saving refills not only helps save you money but also helps reduce the number of buckets destined for landfills.
