**FOR USE ON HORSES AND PONIES**

Ready-to-use ENDURE® SWEAT-RESISTANT FLY SPRAY FOR HORSES insecticide repellent/sunscreen formula provides repellency, quick knock-down, & long lasting protection from flies, gnats, and mosquitoes. Unique formulation stays active and keeps working even in wet conditions and when the horse sweats. This special sun-screening agent in the product protects against both forms of the sun’s harmful ultraviolet rays.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS — CAUTION**

**HUMANS:** Harmful if inhaled. Avoid breathing spray mist. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear long-sleeved shirt and long pants, socks and shoes, and chemical-resistant gloves made of any waterproof material.

**HORSES:** Do not allow product to contact animal’s eyes, nose, mouth, or sores during application. Do not use on foals under 12 weeks. Use only in well-ventilated areas.

**USER SAFETY RECOMMENDATIONS:**

- User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- User should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change and clean clothing.

**FIRST AID**

If Inhaled
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

If In Eyes
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If on Skin or Clothing
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If Swallowed
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, feed or by storage or disposal. PESTICIDE STORAGE: Store full or empty container in a dry place inaccessible to children and pets. A empty container must be contained within another, mark the outer container to identify the contents. Store pesticides away from food, pet food, seeds, feed, fertilizers, and veterinary supplies. PESTICIDE DISPERSAL AND CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. If empty, Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product near or in drains, or irrigation systems, above ground. Under normal conditions for initial applications. As protection builds, reapply every 10 to 14 days as needed. If used, properly each time animal was washed or exposed to heavy rain.
