INERT INGREDIENTS:

Water	
Glycerine	90.00%
Total	100.00%

Net Contents 32 fl. oz. (.946 L)

Nature's Defense® Concentrate is a water-based blend of four essential oils. The result: a fragrant, gentle, non-greasy, non-oily spray or wipe-on for horses, ponies and foals. The alcohol-free formula will not burn horses' sensitive skin and is gentle enough to use daily.

Shake concentrate well before diluting and shake diluted solution before use. Dilute **Nature's Defense® Concentrate** by using a 1 to 4 ratio with water. Add desired amount of concentrate into sprayer or mixing container, then add appropriate amount of water (one quart of concentrate makes five quarts of spray). Apply diluted solution as a spray or wipe on.

DIRECTIONS FOR USE

SPRAY ON: Apply with any sprayer usually used to treat horses. Brush horse thoroughly to remove excess dust and dirt. Spray a light mist on coat while brushing lightly against the lay of the hair. Do not spray in eyes or mucous membranes. Use a sponge or soft cloth to apply to the face and other sensitive areas.

WIPE ON: Remove excess dust and dirt by brushing or, if necessary, shampoo, rinse, and dry horse before applying. Dampen a sponge or soft, clean cloth with **Nature's Defense® Concentrate** and apply liberally over horse's legs, belly, neck and facial areas. Avoid contact with horse's eyes and mucous membranes. Repeat application daily or as often as needed.

PRECAUTIONS:

Keep out of reach of children. Avoid contact with eyes. If product gets in eyes, wash eyes thoroughly with plenty of water.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

STORAGE:

Store in a cool, dry area away from children.

DISPOSAL:

Do not reuse empty container. Wrap in newspaper and discard in trash.

This product is exempt from registration with the federal Environmental Protection Agency under FIFRA Section 25(b) regulations.
