Farnam®

Vetrolin®

Green Spot Out

**SPRAY-ON
DRY SHAMPOO**

Clean up manure and urine stains on the spot with Vetrolin® Green Spot Out. Quick and easy to use. Just spray, work in and wipe off. No rinsing required.

Brush out the area when dry for a high-gloss shine. For use on light-colored coats when there's no time or weather is too cold for bathing.

DIRECTIONS:

Spray a small amount directly on the spot. Massage it in and wipe off using a damp towel. Repeat, working in small areas, until stain is removed and entire area is clean.

Finish off with a dry towel and brush to bring out shine.
