

# DEEP-PENETRATING LINIMENT GEL WITH HYALURONIC ACID

Vetrolin® Liniment Gel provides a cool flash followed by soothing warmth to reduce swelling and aid in pain relief. To be used as a counter-irritant for temporary relief of muscle soreness, stiffness or swelling caused by exposure, overwork or exertion.

**DIRECTIONS:** Please read carefully. Apply liniment sufficiently to cover the affected area and gently massage liniment into the application area. Do not wrap if applied vigorously. The natural extracts and oils in this product do not require wrapping and will increase the circulation to the application area.

**ACTIVE INGREDIENTS:**

- Menthol ..... 4.0%
- Methylsulfonylmethane (MSM) ..... 0.4%
- Hyaluronic Acid (Sodium Salt) ..... 10 mg / fl oz

**CAUTION:** Keep out of reach of children. For external use only. Do not wrap tightly or apply heat to area. Do not swallow. Do not apply to irritated skin; if excessive irritation develops, discontinue use. Individuals with sensitive skin may experience a tingling sensation or redness after application and may prefer to wear gloves. This product is a counter-irritant and as such increases local circulation to aid in the relief of inflammation in underlying or adjacent tissues. Discontinue use if irritation persists and consult a veterinarian. Wash hands thoroughly after use. Avoid contact with eyes or mucus membranes. Do not smoke or eat while applying. Keep away from fire, sparks and heated surfaces.

**NOT FOR HUMAN USE.**

Satisfaction guaranteed or your money back.
