

Directions for Use:

Apply Leather New® Total Care directly onto leather with a soft, clean sponge and rub thoroughly until cream completely disappears. Buff with a clean, dry cloth to bring out a shine. Use on wet leather to prevent stiffening, and on stiff leather to soften and prevent cracking. For extremely dry or stressed leather, multiple applications may be needed.

Net Contents: 6 oz (170 g)

Leather New® Total Care is a creamy leather cleaner and conditioner in one

Avocado oil-based formula provides a deep conditioning to keep leather soft and pliable

Safe for all colors of leather as it will not strip the dye from black tack or darken light tack

Restores elasticity to used leather and helps break-in new leather

Protects against drying and cracking, minimizes mess and won't drip or run

No silicones, waxes or petroleum distillates that can harm leather stitching

For use on all leather goods such as equestrian tack, car seats, boots, purses and furniture
