

# Natural Psyllium Pellets

**EQUI AID Natural Psyllium Pellets** contain premium psyllium seed husk with apple and molasses flavoring for palatability.

## Product Facts

### Active Ingredient per 5 oz:

Psyllium Husk..... 102,250 mg

### Inactive Ingredients:

Artificial flavors, mineral oil, natural flavors, propionic acid (preservative)

### Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

### For use in horses only.

**Recommended to support removal of sand and dirt from the ventral colon.**

### Directions for Use:

- For average size (1,000 lb.) adult horses – give one scoop (5 oz.) to 1.5 scoops (7.5 oz.) of Equi Aid Natural Psyllium Pellets for one full week (7 days) out of every month. Give less to ponies, yearlings and foals; more to larger horses and draft breeds.
- Fresh water should be available at all times.

### Warnings:

For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
