Probiotic Powder

DAILY DIGESTIVE SUPPLEMENT

Farnam® Probiotic Powder provides a daily source of beneficial intestinal bacteria to promote a healthy microbial balance and maintain digestive and intestinal health. Specially formulated with probiotics, a prebiotic, digestive enzymes and L-glutamine to maintain healthy gut microflora and gastrointestinal lining for optimal digestion, nutrient absorption and immune health. Ideal for horses and foals stressed from environmental and diet changes, deworming, antibiotic use, foaling, weaning or herd separation, rigorous performance demands, competitions or shows, and trailering. Can be fed year-round as part of your horse's daily regimen for ongoing support.
