Laser Sheen® Skin & Coat helps promote a radiant

SHOW RING SHINE FOR

ALL CLASSES OF HORSES

coat & healthy skin from the inside out. Scientifically formulated by our PhD nutritionists to ensure your horse receives the many health supporting benefits that properly balanced amino acids, omega 3's & 6's, minerals & antioxidants can provide.

Proper digestion of nutrients is essential for your horse to benefit from any supplement. As a result, Laser Sheen 'Skin & Coat contains a probiotic and is formulated in a specially designed extruded nugget which supports proper digestion of nutrients.

Laser Sheen Skin & Coat Supplement offers a combination of essential nutrients to provide a show-stopping shine that will capture the attention of any audience. It is carefully formulated with a proprietary blend of extruded soybean meal, flaxseed, heat stabilized rice bran, and high quality amino acids. The palatable puggets also contain ceramides The palatable nuggets also contain ceramides to help retain moisture for a velvety soft coat as well as help support skin hydration.
