Net Wt. 3 lbs (1.36 kg)

For All Classes of Horses

VETERINARIAN RECOMMENDED

Apple/Molasses Flavor

• Commonly used during conditions of colic caused by sand and other materials
• Supports removal of sand and dirt
• Supports gut health and helps maintain a healthy digestive tract

NATURAL PSYLLIUM CRUMBLES

Product Facts

Active Ingredient per 5 oz:
Psyllium Husk 102,250 mg

Inactive Ingredients:
Artificial flavors, mineral oil, natural flavors, propionic acid

Directions for Use:
For average size (1,000 lb) adult horse – give one scoop (5 oz) to 1.5 scoops of SandClear™ Natural Psyllium Crumbles daily for one full week (7 days) out of every month. Give less to ponies, yearlings and foals; more to larger horses and draft breeds. Provide plenty of fresh water to follow when using this product.

Warnings:
For animal use only. Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
