DRUG FACTS

Active Ingredient	Purpose
Purified Water 98.8%.....	Flushing Agent

Uses: Flushing and irrigating solution to relieve irritation and discomfort caused by foreign objects, dust, dirt or wind.

Warnings: To avoid contamination, do not touch the inside of cap or the tip of bottle to the eye, the animal or any other surface. For animal use only. Not for human use. For any eye irritation, consult a veterinarian.

KEEP OUT OF REACH OF CHILDREN

Directions: Remove top of cap and direct tip of spout toward the center of the eye. Hold eyelid open with thumb and forefinger, then squeeze bottle releasing sufficient liquid to flush the eye thoroughly. Wipe off any excess with a clean, dry cloth. Repeat treatment daily for best results.

Store at controlled room temperature 20°-25° C (68-77° F)

Inactive Ingredients: Boric acid, sodium borate, sodium chloride, sorbic acid, disodium edetate.
